

## AED For Businesses Fact Sheet

**WE NEED YOUR HELP IN OUR MISSION TO SAVE LIVES!**

Please join us by participating in our AED program for local businesses.

- Victor Farmington Ambulance will pay for half the cost of an AED (Automated External Defibrillator). This includes the AED itself, pads, the carrying case and battery. This program is intended for businesses in Victor and Farmington who do not already have an AED on site!
- The total cost is approximately \$1,100 split evenly between your business and Victor Farmington Ambulance.
- Your investment is approximately **\$550**.
- We will initially train **up to 6 of your employees for free in one class**. Training to be scheduled within 30 days of placement at our Training Center on East Victor Road.
- Complimentary on-site AED evaluation each year.

If you're interested in getting started, here is what we'll need from you:

1. A letter on company letterhead or official business email (this can be e-mailed or sent via postal mail to the contact information below), requesting participation in the program and indicating the following:
  - a. That you understand you are responsible for half the cost of the AED(which is approximately \$1,100).
  - b. That you understand that any warranty claims/ manufacturer recalls or other AED unit concerns should be handled between your business and the AED retailer.
  - c. That you are responsible for ensuring your business has staff trained in CPR and the use of an AED on a regular basis.
2. On the letter, indicate the primary contact's name, telephone number and e-mail address.
3. If tax exempt, please provide your form at the time of the order.
